## From the East

Dear Brethren, Family and Friends ...

I am delighted to have this opportunity to salute our ladies as we celebrate Valentine's Day. Of course we should honor and cherish our ladies every day, but Valentine's Day should be a little more ... a little something extra ... a special day I hope you will convey these thoughts to the women in your life because they are indeed so very special to Freemasonry . Their support is critical to our individual growth and the growth of our Lodges. So, don't forget to say "Thank You!" in a meaningful way to our wives, mothers, sisters and daughters and especially the surviving spouses of our Brother Masons.

George Washington is probably the most revered and respected Mason for the ages. Sometimes we may forget just how important he was to the birth of our nation, as his birthday is now publicly observed as part of President's Day. But since Washington is so very special to us, I hope you will remember that February 22nd is the actual birth date of

Washington, and you remember it as such. At our Lodge meeting in February, we'll remember that the name of our Brother George Washington is recorded as having been born on this date in 1732. Happy 285th Birthday Mr. President.

So Mote It Be!

*Harvey Goldberg*

Worshipful Master

### Grand Master's Message

Brethren, what is it that makes you a Mason? Is it your Masonic ring? Maybe the MM tag or square and Compasses that we all so proudly display on our cars? Is it your membership in the Scottish Rite, the York Rite, Shrine or Tall Cedars? What makes you a Mason? Your Obligation – of course. Where were you first made a Mason? In your HEART – again, of course. But I ask the simple question again - What makes you a Mason? Brethren, it is our deeds and our actions that define us as Masons.

As Masons, we tout the virtues of fraternalism, brotherly love, relief and truth; but my brethren, our actions speak louder than our words.

So, my challenge to all of my Masonic Brethren this year is to live our lives in such a way that our example establishes a positive perception of Masonry for the world to see, because it's what we do – our actions - that the world sees, and it is by our deeds and actions which we will be judged – individually and collectively. Thank you for the opportunity to serve you as Grand Master and always remember, we have the privilege of living in the land of the free only because of the sacrifices of the brave.

Fraternally,

*WUGM John W. Marinucci*
