FROM THE EAST

My Brothers,

As I re-enter the East, I am hoping for things to go well in very difficult times. If we get through the year healthy, with no one getting the virus this year, I will be grateful. I am working on several goals for the year including increasing membership as well as improving attendance, which will be difficult until we have some sort of vaccine. If you would like to come out for a meeting, please take into consideration your health. Our lodge is following protocols regarding safety, but it is still incumbent on everyone to think of themselves and their own situations. Please know that if you decide not to attend you will be missed, but no one will look down on you for not attending. We look forward to seeing you in the future.

I also want to thank Past Master Kevin O'Rourke for doing an incredible job over the past two years. He worked diligently, through some difficult times at the end, considering the pandemic. I offered to let him stay in the East one more year, but he declined.

I feel the staff I have assembled is very strong. If you do want to come out to lodge, please consider coming out to a degree night. They are very good, and I will do my best.

Fraternally yours,

David Simkins, W.M.
